

Creating Google Account using UNM Email

LOBOLEARN

Why Do I Need This?

To access the **LoboLearn** platform, you must sign in using your Google Account by clicking the red “**Sign in with Google**” button, as shown below.

Step-by-Step Instructions

Step 1: Go to: <https://accounts.google.com/signup>

Fill the basic details.

Step 2: Click on "Use my current email address instead"

This allows you to use your UNM email instead of creating a new Gmail.

Step 3: Enter your UNM email address

Example: kmrnrg@unm.edu

Step 4: Choose a secure password

Make sure it is different from your UNM NetID password.

Step 5: Click "Next" and complete verification

Google will send a verification code to your UNM email. Open your UNM inbox and enter the code.

Step 6: Complete your profile

Add your recovery phone number, etc.

Step 7: Accept the Terms and Privacy Policy

Click “Agree” to finish creating your Google Account.
